Q. 2] Complete the following narrative by using your imagination.

Ans: Nagar is a big town. It is well known for its big markets and educational institutes. There are three bus stations in the town and they are always crowded. Naturally they are the favourite places for hawkers and beggars. One day when I was on my way to the college, I saw a beggar at the bus stand. He was begging for something to eat. I thought he was very hungry. I hadn't any money on me. Then I saw two rich students boarding the bus. The beggar was looking at them, went to them & begged for some money. The taller boy's wallet falling down. Without a moment's thought the beggar ran ahead and picked up the wallet. I was watching all this from some distance. I thought how lucky the beggar was to get a wallet. But the next moment I saw the beggar running after the bus, shouting loudly "wallet, wallet." The conductor heard him and stopped the bus. The beggar gave the wallet to the tall boy. Only then the tall boy understood that his wallet had fallen. He was overwhelmed by the poor beggar's honesty. He fished out a hundred rupees note from his wallet and offered it
