Smt. Meenalben Mehta College, Panchgani Department of English Report of “Vocabulary Building Activity”

Date: 09.03.2023

On 9th March, 2023, a “Vocabulary Building Activity” was held in the Dept. of English, Smt. Meenalben Mehta College, Panchgani, to strengthen vocabulary skills of the students.

Students participating in the activity

The activity was introduced by Dr. Sunil Gurav sir by explaining to the students, what does it mean by vocabulary building. He urged them that whenever students come across new word they should see pronunciation, spelling, meaning and use of that word in the sentences. In this way students will enrich their dictionary of English language and can speak and write English fluently.

Dr. Sunil Gurav sir Introducing the Activity

Ms. Pawar Sheetal madam gave instructions to the students about how to participate in the Vocabulary Building Activity. She explained that, a word will be

given to the first team of two students. After that each team has to say a new word, beginning with an end alphabet of the word said by preceding team. Students will have to pronounce that word correctly, write down its spelling on the blackboard and explain the meaning. If a team fails to add a new word within ten seconds, then their alphabet will be passed to the next team. Students cannot repeat the same word, as well too simple words and proper nouns are not allowed.

Ms. Sheetal Pawar madam giving instructions to the students

Ms. Sarika Shinde madam observed students while participating in the activity with other members of the department. She guided students about how to follow rules strictly while conducting the activity. She helped them to participate effectively so that this activity would help them in a real sense.

Ms. Sarika Shinde madam observing students during activity

Total twenty seven students were present for the activity and thirteen teams took part in it. The Dept. members examined the participated teams and first three rankers were decided.

The activity was concluded expressing vote of thanks by Mr. Nitin Waghmare.
