Certificate Course in Travel Tourism

The certification in travel and tourism management opens a completely different industry related to tourism hence a student who is pursuing certification in travel and tourism can make their career in the field of tourism which has its own perks along with the job pay off. This certificate course is a small attempt to introduce the travel tourism industry to the students in our institute. Our institute is situated in Panchgani which is famous tourist place in the world.

Learning Objectives:

1. This course aims at creating the basic understanding of the nature of tourism business.
2. To enable the students to understand the growth and development of international tourism.
3. To understand the problems and prospects of tourism industry.
4. To help students to get acquainted with Indian heritage and its importance from tourism business point of view.

Learning Outcomes:

1. Students will be able to understand nature of tourism and its history.
2. Students will get acquainted with grand cultural heritage of India and will have a deep concern about major places.
3. Tourism is bliss if it is done in a proper way. Hence this course also gives knowledge to the students about how to plan tourism.
4. Tourism involves arranging accommodation and transportation, giving tips to the tour's participants on does and don'ts. This certificate course is an attempt to make students able to understand the process behind tour through tourism planning.

1. Students will be able to understand nature of tourism and its history.
2. Students will get acquainted with grand cultural heritage of India and will have a deep concern about major places.
3. Tourism is bliss if it is done in a proper way. Hence this course also gives knowledge to the students about how to plan tourism.
4. Tourism involves arranging accommodation and transportation, giving tips to the tour's participants on does and don'ts. This certificate course is an attempt to make students able to understand the process behind tour through tourism planning.
5. Through practical knowledge of field guide students will be able to communicate with the tourists from different areas. They will also be able to expand their knowledge about the local areas.
