## Annual Plan for Gender Sensitization (2022-23)

**Consequences of gender Inequality**

It is said that man and woman are the two wheels of the chariot. But if the chariot is to run smoothly, the wheels must not be unequal, with no one small size. Do men and women have equal rights and dignity in this world? From time immemorial we have women running the house and men doing the work of acquiring wealth. But out of these, the male who earns unknowingly and the woman who cooks the food came to be considered as secondary. The idea of what the woman in charge of 'Chool-Mool' has in mind, what she knows, came from the mentality of enslaving the original woman. Then the woman became an eating maid.

Today the picture has changed. The woman has proven her efficiency. Women do the intellectual work in the office in the city. She even holds a key position. She Works as a teacher in schools, colleges. She has a reputation in the medical field as well as in the field of architecture. It is also at the forefront of today's information technology sector. She drives cars, trains, planes. Leaps into space and goes to the bottom of the ocean for research. No field is impossible. Even in the villages, women today work in the fields along with men; Do hard work; They take care of cattle and poultry; Sarpanch and Deputy Sarpanch hold such posts and solve the problems of the village stubbornly. So is it fair to discriminate between men and women? Unfortunately, this is still the case. Today's woman carries out the responsibilities of a housewife in the roles of wife, mother and daughter-in-law; also does outdoor work. She is also responsible for the children's education, banking and illness. Even so, owning one is still beyond the reach of the average person.

### **Measures for Women Empowerment and gender sensitization**

Attempts are being made in the college to organize various activities with the help of various social organizations for the eradication of the disease. The college is trying to set up a karate training center especially for female students to enable them to stand up or for self- defense. It will also set up a women's police training center in the near future. Try to coordinate educational activities in heterosexual relationships. Try to develop a smooth relationship between assigned tasks, tasks, co-curricular activities, projects, laboratories, etc. This will develop in the boys and girls a sense of respect for

their gender and the girl child or child gender and to establish a comfortable relationship with them.

The college also tries to coordinate educational activities in heterosexual relationships. Try to develop a smooth relationship between assigned tasks, co-curricular activities, projects, laboratories, etc. This will develop in the boys also girls a sense of respect for their gender and the girl child or child gender and to establish a comfortable relationship with them.

### **Proposed plan for Women Empowerment and Gender Sensitization**

- To organize program for students on women empowerment on 8th March, to address various gender equity issues in front of the students.
- To organize a workshop on various laws of marriage.
- Promote gender equity in day to day activities in campus.
- To organize Seminar on world population day 11th July, to address people's awareness on various population issues such as the importance of family planning, gender equality, poverty, maternal health and human rights.
- To show a documentaries on issues like female infanticide and prevention of sexual harassment of women etc.
- To arrange activities on "Anti Ragging Act and Laws for Women" for students.
- To arrange a guest lecture on various women diseases.

### Report

### Hemoglobin Checking Program for Girls

Women Empowerment Cell of the institute had organized "Hemoglobin Checking Program for Girls" on 3/10/2022. Medical officers of PHC visited the institute and checked Hemoglobin of girl students. This program was run with intent to check the physical fitness of girl students. Medical officers told them about the importance of consuming nutritious food over junk food. They guided students on healthy lifestyle. Girls whose hemoglobin was under rated or who were found anemic were provided medicines. This program was useful for spreading health awareness amongst girls. They got to know about food that is easily available at our home which will be helpful in boosting hemoglobin in the blood. They further stated importance of hygiene & Cleanliness habits. According to a good character by keeping body, mind & soul clean & peaceful. Absence of cleanliness leads to various types of diseases, personal as well as environmental cleanliness is essential to keep us healthy. We should make it a habit.

## **Smt. Meenalben Mehta College, Panchgani** **Internal Complaints Committee**

### **Report**

**Internal Complaint Committee** had organized Guest Lecture on “The Sexual Harassment of Women at workplace (Prevention, Prohibition and Redressal ) Act 2013” on **03/11/2022 at 10.00 am**. Dr. S. H. Gitte introduced the program and explained about the work of committee to the students. Guest lecturer Dr. A. A. Kulkarni, department of Geography explained about the violence faced by women at workplace. Ministry of Women and Child Development has released handbook on the same act. This handbook explains the nature of harassment at work place. Dr. Kulkarni explained this act to the student and also explained what penalty has been offered to the culprit. She also explained how the redressal of complain is processed by law agency. She further addressed that humiliation of human rights is not accepted. Program was chaired by Prof. Satish Kudale, Head Department of Economics. Mr. Prashant Sutar proposed vote of thanks.

**Activity Report**

**Date: 07/01/2023**

**Activity: "Guest Lecture on Breast Cancer Awareness".**

**Venue: B.com I Lecture Hall**

**"Breast Cancer Awareness- Early Detection Saves Lives"**

**"You gain strength, courage and confidence by every experience in which you really stop to look fear in the face."**

### **Introduction:**

**Breast cancer Awareness program help teach the signs and symptoms of breast cancer and ways of prevention, including hoe to perform a self-exam, hoe to access proper screening, and the importance of regular mammograms. This program also highlights new, effective treatment options and surgeries for those affected by breast cancer, including option that are in development or that may not be widely known otherwise.**

**Most importantly, Breast Cancer Awareness Program is a time to show support and solidarity for those affected by breast cancer and celebrates the survivors who fought the disease.**

### **Aims and Objectives:**

**The objective of this program was to evaluate the knowledge of breast cancer risk factors, symptoms and methods of screening among female college students and their perception towards the disease treatment outcomes.**

**Raising awareness of breast cancer is a group effort. Breast cancer awareness program is a wonderful way to get people involved and excited about lending support and uplifting the voices of patients and survivors.**

## **Participation:**

On 07<sup>th</sup> January, 2023 guest lecture program was organized in the college by NSS and Women Empowerment Cell on "Breast Cancer Awareness". Theme of the activity was to aware and assure female students about Breast Cancer. 49 students were participated in the program. Mrs. Neha Ahire Mam (Pricipal, Bel Air Hospital, Panchgani) guided students. Her guidance has enlightened the student participated in this program. Pro. Narendra Fadtare was the chairperson of program. Miss Reshma Devare from Department of History anchored the program successfully. Dr. Sunita Gitte (Chairperson, Women Empowerment Cell) delivered vote of thanks.

## **Conclusion:**

All students were awarded about **Breast Cancer Awareness**.

## Report

### Hemoglobin Rechecking Program for Girls

12/01/2023

Women Empowerment Cell of the institute had organized "**Hemoglobin Rechecking Program** for Girls" on Thursday, 12/01/2023. Medical officers of PHC visited the institute and checked Hemoglobin of girl students. This program was run with intent to check the Hemoglobin improvement of girl students after three months. It has been observed that there was improvement in hemoglobin count of girls whose hemoglobin was previously under rated. Medical officers told them about the importance of consuming nutritious food over junk food. They guided students on healthy lifestyle. This program was useful for spreading health awareness amongst girls. They got to know about food that is easily available at our home which will be helpful in boosting hemoglobin in the blood. They further stated importance of hygiene & Cleanliness habits. According to a good character by keeping body, mind & soul clean & peaceful. Absence of cleanliness leads to various types of diseases, personal as well as environmental cleanliness is essential to keep us healthy. We should make it a habit.

### Internal Complaints Committee

#### Report

The Internal complaint Committee organized a lecture on Self respect on the occasion of International Women's Day. Padmaja Dinkar Shinde, Social Worker councilor delivered a lecture on Self respect.

What exactly is self- identification? How to increase skill in self? What are the ways for women to succeed in their respective fields? Gave guidance on what should be adopting skill. The lecture on self respect created curiosity among the students about a good career life and they asked the guest their doubts which led to a lot of discussion.

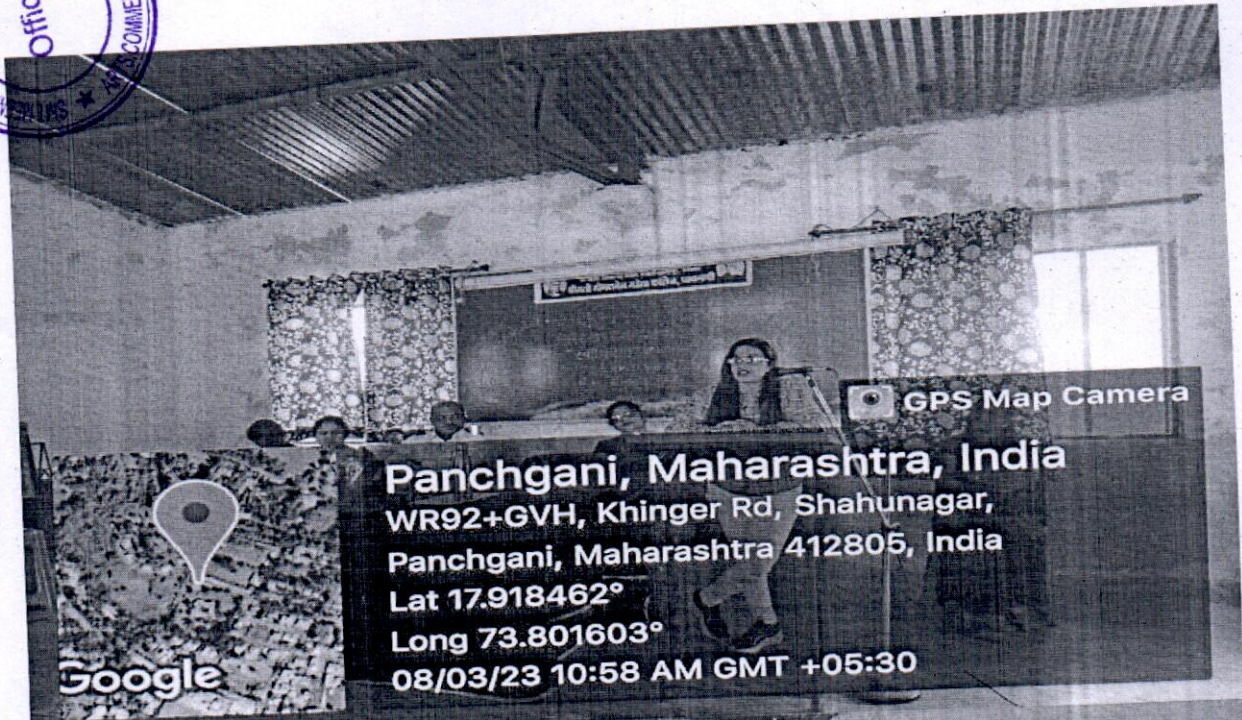

Prof. Priyanka Kumbhar from Department of History introduced the program. Rohit Rajpure coordinated the program. The program was presided over by Senior Professor Satish Kudale. Student representative Ajit Bhilare proposed vote of thanks.

### Internal Complaints Committee

#### Report

The Internal complaint Committee organized *screening on “Self Defense through Karate”* on 19/04/2023. Students of the higher institute were shown clips on self defense. Different karate techniques were shown to them. It is important to be alert at every step whether you are at college campus or at public places. At present it is must to protect ourselves. This protective skills can only be adopted by learning techniques like karate for self defense. Students went through those clips carefully. They also got confidence to face difficult situation after watching those clips. Overall impact of screening was good.
