## Department of Geography

### Certificate Course in Travel Tourism

This certificate course aims to provide students with a foundation in the fundamental principles of the travel and tourism industry. This program covers topics such as customer service, tourism geography, travel planning, and tour operations.

Our institute is situated in Panchgani. Panchgani is the world famous tourist destination. The best time to visit Panchgani is from September to May. During this time, the weather is mild and pleasant, and the temperature ranges from 20°C to 28°C. This is an ideal time to explore the natural beauty of Panchgani and indulge in outdoor activities.

Students enrolled for this course are facilitated with practical knowledge of guiding tourists in different areas of Panchgani. Sydney Point, Parsi Point, Kate's Point, Harrison's Folley, Table Land are to name a few destinations to visit here. Here is a small review of the practical done by our students.

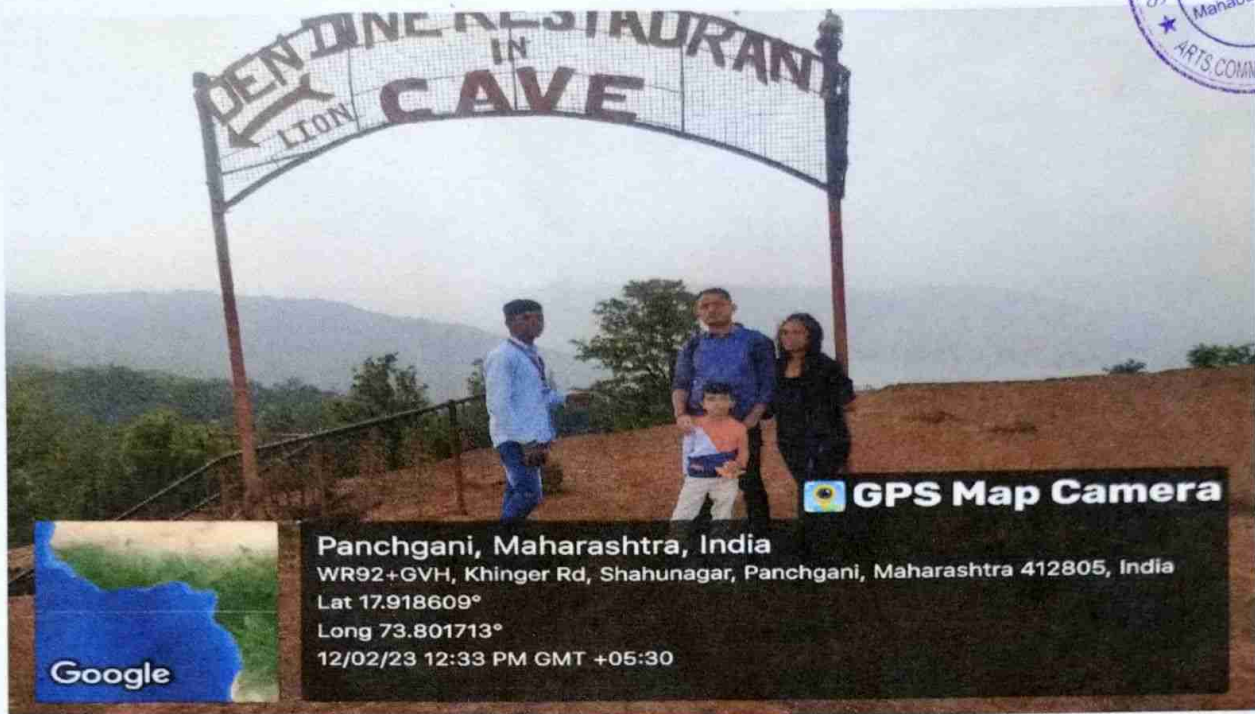

#### **Table Land:**

Table Land is in vicinity of this institute. Our students visited it frequently and **guided tourists free of cost**. This place is Asia's second largest plateau with the height of 4500 feet above sea level. It is accessible by both road and feet that makes it most visited site of Panchagani. Sunrise and sunsets are best times to visit this place. Students guided tourists present there about what to see and experience on table land. They gave topographic information of that area to the tourists.

#### **Parsi Point:**

Parsi point is famous to see 360 degree view of Dhom Dam. Krishna valley is a treat for tourists. Our students suggested tourists to visit Devarai Art Village which is near from this point. They also suggested good food options available here.
