Make teaching a two way communication

- 1)Miss should have use the projector for teaching the students
- 2)Miss should have clear the doubts of the students which they do not understand
- 3)Miss should have teach slowly for the students/the portion is remain back and teacher is teaching fastely for complating the portion

- 1)Miss should have use the projector to teaching the students.
- 2)miss should have teach the group study for the students.
- 3)on the lesson or topic miss should have conversations with the students

All are the staff already teaching students properly. But I have a suggestion Something has to be done for those students who do jobs and come only for exams.
