Shri Swami Vivekanand Shikshan Sanstha Kolhapur's

Smt. Meenalben Mehta College, Panchgani
Department of English & IQAC
Jointly Organized
"Teacher Training For NEP Installation"

Department of English and IQAC had organised a teacher training program under the aegis of 'Lead College Scheme' to train and know about the NEP 2020 and its practical installation, on Wednesday, 10th January, 2024. The workshop was divided into four sessions.

The first session of the workshop was begun by the introduction of Prof. Nitin Waghmare, Head, Dept. of English. In his introduction he explained the main objective of the Workshop. He said that to create awareness about the National Education Policy-2020 amongst teachers is the main objective of the workshop.

After felicitation of the workshop Dr. B. N. Kokare gave key note address of the workshop. In his address Dr. Kokare said that the Union Cabinet chaired by the Prime Minister Shri Narendra Modi approved the National Education Policy-2020 on July 29, 2020. In his speech he further stressed on the need to create awareness about the newly launched National Education Policy-2020 amongst teachers, students, officials, parents and other stakeholders in the higher education system.

Prin.Dr.Satish Desai was the president of first session. He expressed his support for organizing such workshops to get training and discuss about upcoming challenges in the academics. The session was concluded by vote of thanks by Prof. Omkar Patil, a faculty in the Dept. of English.

Second session was introduced by Prof. Vilas Sapkal. Dr. Dnyandeo Kale, Senate Member, Shivaji University, Kolhapur was a resource person of this session. He delivered a lecture on the topic "Teacher Training for NEP Installation". In his speech Dr.Kale focused on the need to familiarize teachers, students, officials, parents and other stakeholders with the skills to help them understand its nuances, curriculum changes, the shift in pedagogical skills and its implementation for the holistic development of its stakeholders, the students is the main objective of this teacher-training programme. He said that this is the third Education Policy in India after

independence (1968, 1986 and 2020). The new National Educational Policy-2020 seeks to introduce and implement a sea of changes across all levels of education in India, including the essential understanding of education in the country.

He further said that the policy is based on the pillars of "access, equity, quality, affordability, accountability" and will transform India into a "vibrant knowledge hub". The substantial impetus placed on vocational education or hands-on learning in the new policy will give rise to multiple hybrid jobs. With the rapid progression of information technology, and to be able to offer the students a much broader, multidisciplinary foundation, he expressed the importance of using a holistic and multidisciplinary learning approach which will help the learners adapt and reinvent themselves to the demands of the new hybrid work culture and dynamic socio-cultural changes.

This session was ended by expressing vote of thanks by Dr. Sunil Gurav.

Third session was the Question-Answer Session. Participants raised their specific queries and doubts regarding the topic of workshop.

Last session i.e. session number four was the valedictory function. It was introduced by Dr. Sunil Gurav. Prof. Narendra Phadtare, Head, Dept. of Hindi was the chief guest of this session. He talked about the vision for Higher Education in India – 2020. To achieve this vision, focus should be given on three main elements i.e. Students enrolling in the Higher Education System, Holistic and Multidisciplinary Education and Educational Technology and Online Education.

Prof. Nitin Waghmare, Head Dept. of English expressed vote of thanks of this valedictory session.

Dear Sir/ Madam,

We cordially invite you for the One Day National Conference on "Nature, Man and Society" organized by IGAD of our College in association with Shivaji University Sociological Association. It is scheduled on 11th May 2024. We request you to contribute for this conference through your active participation and scholarly research articles.

About Sanatha:

Sri Swami Vivekanand Shiksha Sanstha, Kolhapur, one of the largest educational institutes in Maharashtra was established in 1954 by Shikshanamaharishi Dr. Bapuji Saunkhe. The Sanstha with its head-quarter located at Kolhapur started functioning by opening 5 secondary schools. Now, after 69 years since its inception, the Sanstha has expanded its horizons up to 400 educational hubs that comprise pre-primary to post-graduate programs of various disciplines such as Education, Nursing, Law, Engineering, Pharmacy, Hotel Management and Vocational courses along with the traditional courses.

About College:

Sri. Meenabai Mehta College, Panchgani is established in June 1990 by Sri Swami Vivekanand Shiksha Sanstha, Kolhapur, a renowned educational institution in Maharashtra affiliated to Shivaji University, Kolhapur, and situated on the Panchgani hill station. College premises is very beautiful and peaceful.

Our college runs Arts, Commerce and Science faculties at under-graduate level with specialisation of Arts faculty in English, Hindi, Marathi, Economics, History and Sociology while Commerce faculty specialisation in Accountancy and Industrial Management whereas Science faculty specialisation in Physics, Chemistry, Botany and Zoology. The college has well established laboratories, library, classrooms and seminar hall.

College is imparting quality education to students and is committed to intellectual, moral, social and all round development of students.

About Panchgani:

Panchgani is an idyllic mountain retreat in the Krishna valley. It is well-known hill station located in the Satara district of Maharashtra. The eternally beautiful hill station is perched at an altitude of 1334 meter. It derives its name from the five hills that surround it; it is far away from the noise of Pune and the endless hustle-bustle and pollution of Mumbai metropolis. It is the first hill town one reaches from Mahabaleshwar to Pune road. The walk ways are thickly canopyed by lush green trees and vegetation. It offers heart-throbbing views of the River Krishna on one side and coastal plains on the other. The Krishna meanders through tiny hamlets, farms and rainies.

There are some old British and Parsi houses as well as

boarding schools. Table land, a flat mountain peak majestically overlooks coastal plains. Panchgani with its pristine natural beauty and rejuvenating oxygen-levels boasts of a TB Sanatorium. Patients are known to get better and faster relief owing to the pure environs offered at Panchgani. Panchgani has a pleasant, breezy climate throughout the year.

About Conference:

Nature, Human beings and Society complement one another and deeply rely on one another for survival. Undoubtedly, Nature is the basis for the existence of the entire species and development of human beings and society. Development of the society in the right direction assures the harmonious growth of human beings and Nature. Industrialization has led us towards the dynamic development in all the areas of life. For this, human beings have manipulated the Nature for self-centered gains and they are continuously in the endeavor of its drastic and horrible alteration. Consequently, the relationship among Nature, human beings and society has become intimidating. The obsession for the development has resulted in severe ecological imbalance and affected the society to a greater extent. In other words, the so-called development has affected the development of society. Hence, it's the high time for us to retrace the relationship among Nature, human beings and society. Immediate and conscious efforts and micro-planning is essential in order to fabricate the harmonious coexistence among these interdependent elements. Therefore, a mutually complementary relationship should be established among all of these elements. It's possible only when these elements are in the modern state of synchronization. Only with this, human beings can attain collective and national development.

Theme of the Conference:

The core theme of the conference is "Nature, Man and Society" and the sub-themes are as follows:

- Nature, Man and Global Warming
