About our publications

The Royal Society of Chemistry publishes 56 peer-reviewed journals, around 2,000 book titles and a collection of online databases and literature updating services.

Our international publishing portfolio covers the core chemical sciences including related fields such as biology, biophysics, energy and environment, engineering, materials, medicine and physics. As a not-for-profit publisher, we reinvest surplus funds back into the global scientific community, supporting our mission to advance excellence in the chemical sciences.

ISEAS Publishing

Show all titles Change database Fact sheet

ISEAS Publishing, an established academic press, has issued more than 2000 books and journals. It is the largest scholarly publisher of research about Southeast Asia from within the region. ISEAS Publishing works with many other academic and trade publishers and distributors to disseminate important research and analyses from and about Southeast Asia to the rest of the world.

Besides the Trends in Southeast Asia series, which gives academia and researchers bite-size updates through analysis on emerging trends around the region, ISEAS Publishing also specializes on producing in-depth academic findings on the politics, economics, and social aspects of Southeast Asia.

ISEAS Publishing carries a wide and interesting range of books on country studies, such as Myanmar, Thailand and Malaysia. In addition to its annual flagship Southeast Asian Affairs, which gives an overview of the pressing and most significant matters within the region, ISEAS publications also include a good range of books on ASEAN and its role in shaping regional matters.
