Activity: “One day Workshop on Ecofriendly Rakhi- Making”

Date: 23/08/2023

Venue: Department of Botany

Green Club Activity Report

Traditional rakhis often use synthetic materials like plastic and chemical-based dyes that contribute to non-biodegradable waste. Ecofriendly rakhis are made from biodegradable, natural and reusable materials. On the occasion of Raksha Bandhan Green Club and Department of Botany jointly organize the “One Day Workshop on Ecofriendly Rakhi Making” for all B. Sc. Students. Students are made use of plantable seed capsules, popular seeds are used include basil, marigold. Some of rakhis are made with incorporate pressed or dried flowers for a natural and artistic look as well as students made rakhis with spices like clove, pepper etc.

The workshop was inaugurated by Chief Guest Hon. I/C Princ. Dr. Satish Desai. Who delivered the talk about the importance of ecofriendly rakhi and encourage them to expect the same workshop in future to conserve nature.

Dr. Priyadarshini Kamble Head Department of Botany welcomes the guest and introduced the aim of workshop. The workshop started with anchoring by Iqura from B. Sc. I and wind up with vote of thanks

Outcomes:

It's a small step to make environment free from the non biodegradable waste.

To create awareness in student about the environment.

Eco-friendly rakhis are gaining popularity due to their sustainable and environmentally conscious benefits.

Report

Nirmalyas Collection for Pollution Free Environment

Date: 28/09/2023

All the committee members and the students of Table Land Green Club gathered on the college ground on 28th September 2023 at 11 am. As per the schedule of the program we visited various ganesh mandals to collect nirmalyas. The collected nirmalyas were brought on the Table land near the Nirmalyas Kalash. We cleaned the surrounding area of the lake and Nirmalyas Kalash. We sorted nirmalyas as degradable and non-degradable waste and poured into different respective Nirmalyas Kalash. Around 60 students and all the committee members were present on this occasion.

Honourable Principle Dr. Satish Desai motivated students for such activities. All faculty members and non-teaching staff supported the program.

Outcome:

1. Student awareness about pollution.
2. Student involvement in green clean initiatives.
3. Students awareness about social responsibilities.
